MEMBERSHIP APPLICATION Artist

The Giles Arts Council is organized to create a network for the arts community in Giles County by providing a public arena for the visual and performing arts. By supporting economic growth and tourism through artistic projects and performance, we can help preserve our Appalachian heritage and the indigenous arts of this region.

Artists will be listed in all promotional literature and on the website and will be invited to showcase their work throughout the year at networking meetings and special events open to the community. The GAC looks for opportunities to promote all artists to the media and the public.

Membership is on an annual basis from July 1–June 30. Announcements of upcoming events are available via postal or electronic mail. For more information, please visit the website at www.gilesartscouncil.org.
