

The Giles Arts Council is a non-profit organization dedicated to the encouragement, nurturing and promotion of the visual, performing and needle arts in Giles County.

MEMBERSHIP APPLICATION Student, Individual and Family

The Giles Arts Council is organized to create a network for the arts community in Giles County by providing a public arena for the visual, performing and needle arts. By supporting economic growth and tourism through artistic projects and performance, we can help preserve our Appalachian heritage and the indigenous arts of this region. *Anyone can be a member so please show your support by joining today!*

Membership support and contributions will allow the Giles Arts Council to develop classes, create new events and exhibits, distribute arts information, encourage youth theater/educational performance groups to visit our schools and develop opportunities to promote the talents of Giles County to all ages.

Membership is on an annual basis from July 1-June 30. Announcements of upcoming events are available via postal or electronic mail. For more information, please visit the website at www.gilesartscouncil.org.
